

Quickie Saw

ITS TACTICAL BREACHING EQUIPMENT

Integrity Tactical Solutions is an application innovator of highly durable, easy-to-use, and portable backpack mounted exothermic torches and tactical breaching saws. Designed for forced entry, structural collapse, and heavy search and rescue, ITS Tactical Breaching Saws are being used in the most challenging environments by smoke jumpers, law enforcement agencies, government agencies, military, civilian corporations, rescue personnel and fire departments.

The Breacher Quickie Saw

ITS's Breacher Quickie Saw is a backpack-mounted quickie Stihl TS 700 saw that provides breaching power for multiple uses. The diversity of these packs makes them ideal for smoke jumpers, law enforcement agencies, government agencies, military, private sector and fire and rescue departments. Weighing only 40 lbs with the option to carry four extra cutting discs, the Breacher Quickie Saw uses a single strap and two quick release pins to move from pack to the job within seconds.

Each unit comes with:

- 1 Pelican case foam fit for GBT
- Custom pack assembly
- 16oz fire suppressant
- 22oz fuel cylinder
- 1 diamond blade cutting disc
- 5 carbon blade cutting discs
- 1 D'ax rescue blade
- 1 repair kit
- 1 pair of leather gloves

QUICKIE SAW SPECS
