

Mini Quick Saw

Integrity Tactical Solutions' Mini Quick Saw is the world's first cordless cut-off machine with a 230 mm cutting wheel for wet cutting.

The saw is suitable for indoor and outdoor use up to 70 mm cutting depth. It has a water connection with ball valve and hose coupling, spindle lock and maintenance-free belt drive.

Weight	3.9 kg	Battery technology	Lithium-Ion PRO
Energy content	151 Wh	Recommended battery	AP 300
Sound pressure level	103 dB(A)	Battery running time AP 160	up to 13 min
Sound power level	114 dB(A)	Battery running time AP 180	up to 15 min
Vibration level left/right	3.5/3.5 m/s ²	Battery running time AP 200	up to 12 min
Cutting wheel	230 mm	Battery running time AP 300	up to 18 min
Maximum cutting depth	70 mm	Battery running time AR 3000	up to 95 min

Integrity Tactical Solutions is an application innovator of highly-durable, easy-to-use, and portable backpack-mounted exothermic torches and tactical breaching saws. For more information and to view additional products, visit the ITS website at integritytacticalsolutions.com.
